Ellisa Habbart and **Lisa Stark** of The Delaware Counsel Group, LLP have had a chapter published in the third edition of ***The Corporate Governance Review***, published by Law Business Research Ltd. The *Review* provides an overview of the corporate governance regimes applicable to listed companies in over 25 jurisdictions worldwide. It is published annually to remain current with recent developments.

The Delaware Counsel Group LLP ("DCG") exclusively represents clients globally on governance and complex national and international business transactions with a Delaware connection.
